MINUTE ENTRY

The Court has read and considered the Respondent's Motion to Deny Bills Submitted by Petitioner for Payment Not Relevant to Court's Order and for Attorney's Fees. No response has been filed to the motion as of December 7, 2004.

This motion was apparently filed on October 8, 2004, but was not received in this office until November 16, 2004. The motion was then lodged for response.

Respondent objects to the non-medical bills tendered by Mother. Father reports that Mother provided Father's counsel with a variety of bills beyond the scope of medical and dental bills, including bills for daycare expenses, direct TV, storage, car insurance, utilities and telephone bills. Respondent references an attachment "A", but there is no attachment to the Court's copy or the copy filed with the Clerk of Court.

It is unnecessary for the Court to review the attachment or a complete recitation of the medical and non-medical bills submitted. The Court previously ordered: "all medical and dental bills shall be paid 67% by Father and 33% by Mother. Medical and dental bills are statements of charges presented by medical and dental healthcare providers, (including prescription drugs) incurred on behalf of or for the benefit of the minor child.
